Money Magnet Jar Spell

A simple seven-night ritual to invite flow, value and new opportunities into your life.

In a jar with a lid, add

Water	for flow	fill the jar half full
Coins	for value	three coins of any value
Sugar	to sweeten outcomes	1 tablespoon
Rice	to multiply opportunities	a small handful
Cinnamon	to move things faster	1 teaspoon

As you place the jar near your bed, whisper

“Money finds me with ease. Opportunities open. I receive without force.”

Then

1. Leave the jar overnight.
2. After 7 nights, release the water and thank it.
3. Pour the water into the earth, outside or in a flower pot.

This isn't superstition. It's intention directed through ancient symbolic practice.
